

RESPIRATION 2026

A vision to restore normal Breathing Under SAGAR HEALTHCARE FOUNDATION

17TH MAY 2026 (SUNDAY)

Hotel Taj Mahal, Gomti Nagar, Lucknow

CME on Recent trends in
Pulmonary, Critical Care & Sleep Medicine

WELCOME MESSAGE

Dear Sir/Madam,

Greetings from Sagar Healthcare Foundation.

We are pleased to introduce Respiration Clinic, a dedicated center committed to providing comprehensive and advanced care in pulmonary, critical care, and sleep medicine. Our goal is to deliver high-quality, patient-centered healthcare services with compassion and excellence.

At Respiration Clinic, we offer a wide range of medical services, including:

- Emergency and Critical Care
- Acute Care Management
- Day Care Facility
- Consultation
- Counselling
- X-Ray Services
- Pulmonary Function Test (PFT)
- Blood Investigations
- Sleep Study
- Bronchoscopy
- Thoracoscopy
- Nebulization

Our clinic is equipped with modern technology and supported by a team of experienced healthcare professionals to ensure accurate diagnosis and effective treatment.

We look forward to serving the community and building a long-term association with you. For any further information or assistance, please feel free to contact us.
